

"Experiencing Authentic Manhood in a community of men has literally CHANGED MY LIFE!
It inspires me everyday to be more like Jesus."

Richard Violette, Author of *Faith Tested*

"Through each round of Authentic Manhood, I showed my wife what we were learning.
As I realized the value of implementing it into my life I SAW OUR MARRIAGE GROW STRONGER."

Daniel Mays, The Woodlands, Texas

"We started the Authentic Manhood series about five years ago with only five men, and it has grown to
over a hundred! Keep in mind that we are a small church in a small city in South Africa.
We're SEEING MEN CHANGE due to the impact of Authentic Manhood and 33 The Series."

Willem Nelson, South Africa

The comprehensive and dynamic content in Authentic Manhood and 33 The Series addresses the
issues that are at the core of every man's journey. With a relevant and biblical message,
it empowers men from every background to find HEALING and RESTORATION in a relationship with
their True Father and in community with other men.

LT Scott Dean, Command Chaplain, USS Emory S. Land

Authentic Manhood is making a huge impact on the Merchant Marine Academy campus.
We have over 40 men gather every week. The men at the Academy are hungry for these timeless
truths in this community of men. Parents call, professors comment, and the staff all know who the men
are who attend because of the positive impact Authentic Manhood is having.

Jerry Durham, Command Chaplain, Kings Point, NY

"Authentic Manhood has been a huge success at Folsom State Prison. Offenders are putting their faith in
Jesus. Relationships with families are being restored."

Bill Thomas, Prison Fellowship

"Our group is a place where there is no condemnation, but lots of accountability. The CONTENT of
Authentic Manhood and the CONTEXT of this environment is a winning combination!"

Sam Newton, Founder & Principle Consultant of The Newton Group

"Thanks for creating outstanding content that speaks grace and truth to men, and for developing A
STRATEGY THAT CAN BE TAKEN TO THE STREETS!"

Bill Stone, Lighthouse Pregnancy Resource Center, Patterson, New Jersey
