CHANGE MEN + CHANGE THE WORLD

QUICK-START GUIDE

1 CHOOSE YOUR STRATEGY

ONE-ON-ONE DISCIPLESHIP

- **Option 1: Watch each session together.** Watch on a laptop or tablet, then discuss and process the content using the discussion questions in the Training Guides.
- **Option 2: Watch each session independently.** Come together with Training Guides to discuss and process. Face-to-face is best, but phone, FaceTime, Zoom, etc, are options if schedules require it.

SMALL GROUPS & SEASONAL GATHERINGS

- **The Host:** This is a key role. The Host directs the gathering, shares personal applications to model the objective, recruits men to share short stories of their personal applications, etc.
- **Watch each session as a group.** Connect a laptop to TV monitors or an A/V projection system. Good video and good sound is critical. Avoid streaming from the internet via wi-fi. Download sessions to a laptop and play from the hard drive, or play them from the DVDs.
- **Small group discussions.** No more than 6-8 per group. A designated leader is an option but is not necessary. Questions at the end of each session are provided to get the conversation going. Anyone can read them. There may be times when you don't finish them or you don't even need them because the conversation is already flowing. Conversation and community is the goal.
- **Discussion Guidelines:** (1) Don't re-teach the session, (2) Don't dominate the discussion, and (3) Be sure everyone has an opportunity to talk if he wants to.
